CLEVELAND'S MESSAGE.

It Will Clear Up the Japan-China Affair, It is Said.

WASHINGTON, D. C. Nov. 12.-The China-Japan incident, so far as the United States offer of mediation is con-corned, is considered closed for the preent by those in a position to understand the situation. At the department and at the Chinese and Japanese legations there, there is only negative information to the effect that no positive answer to the American suggestion of mediation has been received.

The statement was made in congressional circles today that President Cleve land's coming message to congress would throw light on the China-Japan question and would forestall any reasons of inquiry. As the secretary of state, unlike HARRISON TEL. CO. MEETS.
